Description: Few activities offer more fun and excitement than motorcycling, but to get the most out of it, there's a lot you need to know. From buying and maintaining a bike, to riding safely, to finding great places to ride, Motorcycling For Dummies puts you on the road with savvy and style, whether you're male or female, new to riding or an experienced vet. This fun,...

Review: Although this book was last published almost a decade ago (2008), the information is outstanding, especially for the beginner or novice rider. In fact, the information, tips, and suggestions are so good, even experienced riders will pick up a thing or two. Highly recommended as a first look into the exciting world of motorcycling!...
